

SPORTS & CULTURE FOR EVERY CHILD

THANKS TO THE JEUGDDEELNAMEFONDS ALPHEN

The Jeugddeelnamefonds Alphen (Youth Participation Fund Alphen, JDFA) believes that every child should have the opportunity to participate in sports and cultural activities. This includes children growing up in families with limited financial resources. From football to ballet, learning the piano to drama classes, there are so many wonderful activities for children to explore. We provide financial support for membership fees, allowing as many children as possible to join a club, association or cultural institution.

HOW DOES THE JDFA WORK?

The Jeugddeelnamefonds Alphen offers financial assistance for the lesson or membership fees of sports and cultural activities for children aged 4 to 18 from low-income families. This support is available not only to children from Alphen aan den Rijn but also to those from Zwammerdam, Aarlanderveen, Boskoop, Benthuizen, Koudekerk aan den Rijn, Hazerswoude-Dorp, and Hazerswoude-Rijndijk.

WANT TO RECEIVE FINANCIAL SUPPORT FROM THE JDFA?

Do you or someone you know want to receive support from the JDFA? It's important to know that you must first contact an intermediary. Parents or children cannot apply directly to the JDFA; only an intermediary can do this. Intermediaries are professionals who work with low-income families, including school teachers, community liaisons, neighbourhood sports workers, the Serviceplein (Service Point) of the municipality of Alphen aan den Rijn, Participe, or Tomindebuurt. They can accurately assess whether a family's budget can cover sports and cultural activities.

HOW CAN YOU GET IN CONTACT WITH AN INTERMEDIARY?

There are several ways to do this:

- Every Monday afternoon, intermediaries are available during the Tomindebuurt information session at the De Bron community centre.
- The municipal service desk can put you in contact with an intermediary.
- You can also email info@jeugddeelnamefonds.nl. The JDFA will be happy to help you.
